WASHINGTON HERALD BUREAU, 126 South Royal Street.

Alexandria, Va., Aug. 19.—Two men are dead as the result of a cave-in of a gravel bank at Humes Spring, Alexandria County, two miles north of this city, at o'clock this morning.

They are: H. Russell Wise, single, nineteen years old, of Arlington; James M. Dean, twenty-three years old, married, of Baileys Crossroads, Eairfax County. The bodies of the men were taken to their homes, after which Coroner Ashton, of Alexandria County, made an investigation. He came to the conclusion that an inquest was unnecessary, and that the men met their death accidentally. A certificate of accidental death was ordingly given.

The funeral of Wise will probably be held Sunday afternoon, although the arrangements have not yet been completed. Dean's funeral will be held from his home Sunday afternoon at 3 o'clock. At the time of the accident, both men were shoveling directly beneath the big gravel bank, fully fourteen feet high. Without warning the crash came, carry
